LOUISVILLE

FOR PRESIDENT, Millard Fillmore, OF NEW YORK.

Andrew Jackson Donelson,

MONDAY, APRIL 28, 1856

The Daily Journal has much the largest circulation in the city and couble the circulation in the country of any other daily paper printed in Louisville; and the Weekly Journal has much more than double the circulation of all the

tations, it appears, from the latest Mexican in length completely subdued the reactio ary to establish his government firmly in the confithat he will speedily redeem this cheering on is the chief and almost the last and only hope of his hapless country And, if the judg-ment and decision he has displayed in this late decree confiscating the Church properly of the diocese of Puebla to indemnify the nation and toward an editor the clizers of Puebla for the expenses and If judicious y though boldly followed up by dead weight of an impious priesthood, may yet shoot up into a vigoro e and thrifty nation

ward with deep interest to the issuing of the tional career. Beyond question, the future peace if not the existence of the nation wil greatly depend upon the character of that innent. Its elaboration by the convention is said to procaed very slowly, though acarcely a observers at the capital that it will be of the true repu lican stamp when it is finished. At the date of our latest advices the convenson were engaged in discussing a proposition o ratify at once the law which suppresses the ratified at an early period, and ratified unar was and could be no difference of opinio effects of so salutary and popular a measur the consolidation of the Government.

ion, however, with regard to the best plan of nascating the church property, which threa ens to prevent the immediate adoption of any s altogether unimportant in l'self, relation of the country, but it is unfortunately inflame by personal feel gainto a degree of bitterne that seriously endangers the success of this vi tal measure. Such heated wranglings in a con titu ional convention are shamefully inevent bla. They would better become a town cou cil than a body of patriots assembled to deliberate upon the true method of regenerating their country. We trust that they will be dis-creetly appeared or a pressed at d the neceseary steps taken to insure a quick and full exe the convention has determined, and which the whole liberal portion of the nation demand

ico were probably never brighter than they are ment. For the are't me in a quarte of a certury the church and the army are If the latter are the atrooger, as we earnestly hope, now is the time for their triumph. The debasing quantities of the national equation are clearly indicated, and if they do not disappear in the course of the pending adjustes them. in the course of the pending solution they must

once an Abolition member of Congress, and, in the last Pres dental election, the Abolition candidate for Vice President on the ticket with incur loss, provided they can see their political present, the head and front of Abolitionism in themselves are? ndiana, in a letter written since the late Aboli-

Sewardism, shows the light in which the Abolitionists regard the American candidate for the Presidency. Askin ing to Mr. Fillmore, the Register says:

that the members of a postical parts at defeat, should be willing to see rui brought upon themselves, their fellow-c tizens, and their city. When president is the members of a postical parts at defeat, should be willing to see rui brought upon themselves, their fellow-c tizens, and their city. When president is the members of a postical parts at defeat, should be willing to see rui brought upon themselves.

tracts from the speeches and writings of lead-crats here who will say to t they are u t bo h party is eminently the conservative, national We do not believe there are; and, if there are a party of the country, and that Millard Filimore many who will say so, then there are so many so hated by the negro-worsh ppers because he who will say what they know is not true.

Ye someth' g is the matter with her. A very shi is tu y or the. We know not whether the very fountains of her life, uttering atrocious Well, he may live by it. Somebod mes and rivals in all directions to be sed la'ed right amart little for uncs. tolerating such a sussance within her limits Senator Dosgias, it seems, refuses reth of time than the Spartan boy could re- Kansss.

a n in the ergoyment of health while the fox | Col 1. m y coutemplate. The man was he h gged to his bosom was eating into his either st. The editor of the Democrat's hatred of Louville, though undoubtedly inflamed since the A gust election, is of older date than that early a year ago, even when it did not appear hat any partisan purpose was to he subserve

own use whatever goods and chattels they is the decline in rent which the editor of

FOR VICE PRESIDENT

oward her that le bas been exhibit ig eve other weekly papers in Louisville put decrying her as the mearest and viles and mos

happen to meet with. And now he pro-claims incessantly that she has fallen, that she is fact becoming the abole of the "abom-mation of desolation," a d that her etreets will soon be fit for nothing but the fattening State be cearched through, let the country he fair can be deemed an earnest of his future assiched through, let the civilized world ourse, we do not doubt that he will. His searched through, and not an instance can t the city in which he lives as Le editor of the ficers to the ranke of the same, as well so hie there is another city on earth that would, und toward an editor as Louisville now exhibits t ward the ed for of the Democrat. The case ha fosses of the rebellion and siege, which the clergy mainly instigated, are strokes of policy ever have an imitation. The editor saye, that, if Louisville would

boldly followed up by preaper, she must give some assurance against the rejection of the 6th of August riois. We wonder what sort of assurance he would have. day." He says that a sime a day is enough for ently acts in harmony, Mexico, freed from the Of course he can bardly be fool enough to demand a pledge from the present city authorities The inteligent friends of Mexico look for. their duty, and, if they will not do it under influence of their oaths, their pledges would be lars over and above the 1str ates of 51 Bills useless. The editor has no sort of apprehens that there will ever be any riots here if the for-eignere behave themselves. He himself, only a short time after the August election, shrinking tamporarily perhaps at the thought of the coces of his calumnies, repeatedly publish any cause to fear, that there was no resson for of violence could never be repeated. He gave the close of August, and since that time or ng Sag Nichte of the General Aesembly, mak on ider themselves free from all danger of vi Democrat assured them time and again that he

oclaims almost every morning that Louisvill an have nothing to hope until the foreign all have assurance of safety. What on earth City Council endorce bis infamous lies that th begin by the Americans? If so, the Counc gu'ly and by all meane let them produce th metice, whom they spirited away, and who in state of the most industrious cearchings tion and the offer of rewards through the Go It is evident that the assurance or g

that the editor wants is the going of Louisvil for bag Nichtism No other guarantee cou serve his purpose a moment, for he has said a hun red times that the spirit manifested here on ced in appearance, where they have always the 6 h of August was the spirit of American-

If it is true, as s'ated by the editor of the hereafter be deemed fixed elements of the ques-tion. If Mexico is not now recalled to life on. If Mexico is not now recalled to life and upon a creer of healthful progress, that he is making upon the husiness and real THE AMERICAN PARTY VS. ABOLITIONISM. hitterness of beast in there wholly upparalleled Day after day, proofs are presented, atrong We are informed upon the most reliable au as Holy Writ, that the Abolitionists of the North regard the American party as their most dangerous opponent.

Americans. Now if the ru bless attacks of the The South neede no better evidence of the Conservatum of the American party than the invectives hurled against it by the rankest Abolition leaders. Geo. W. Julian, of Indiana,

the statemen s of the Democrat in regard to the man d di't in tend it in that way at a'l. The "cause of freedom" here means Abolitions of the deepest, blackest dye. All the Anti-slavery leaders from the arch-field Seward down to the meanest pot-house politicians of the Black Republica stamp, use smilar language in regard to the American party.

The fallandam evident from the Allern State
